

CLINICAL DIRECTOR – EXECUTIVE POSITION

Salary range \$130,000 - \$150,000 CAD

The Southdown Institute, a recognized industry leader in the provision of mental health services to clergy, religious, lay pastoral leaders, and the general population who seek to integrate spirituality into the process of psychotherapy, is seeking a Clinical Director to lead our multi-disciplinary team of mental health professionals. Headquartered in Holland Landing, Ontario, north of Toronto, Southdown is situated in a beautiful, natural setting on 37 acres. Services include: Psychological and Candidate Assessments, Residential Treatment, Outpatient Therapy, Consultation and Education.

Job Summary:

As a member of the Executive Team, the Clinical Director will devise strategies and plans for all patient-care services according to company standards for excellent service and growth. The ideal candidate has experience in psychological assessments, including risk assessments. The individual would also enjoy the challenge of planning and implementing new programs and services for potential clients in other locations. Experience in health care administration will provide the skills necessary for tracking delivery of quality service and compliance with Accreditation Canada standards and Required Organizational Practices. The Clinical Director will plan and implement programs to meet clients' needs whether they are residential, assessment or outpatient. In addition, the Clinical Director will establish an environment that empowers staff to deliver the highest quality of professional care and facilitate team development and succession planning.

Qualifications:

We are looking for a strategic thinker who is aware of the latest research and has experience in implementing change to programming. The successful candidate will have a Doctorate in Clinical Psychology, a minimum of 5 years of leadership/management experience in a health care setting, and is fully registered for autonomous practice in the Province of Ontario. Experience in Forensic Psychology or Neuropsychology is an asset. The successful candidate has an interest in becoming licenced in other provinces to broaden our scope of service. Bilingualism in French or Spanish is an asset.

Interested applicants should email or forward their resume and any supporting materials to:
